<p align="center">Sirena Perez Cassidy (Attorney)</p>	<p>Ms. Cassidy attended the National Conference of Bar Examiners Annual Bar Admissions Conference. The conference is targeted specifically to those who sit on the Board of Law Examiners, those who administer the bar exam, and those who draft and grade bar exam questions. Of particular importance this year is the transition to the NextGen UBE Bar Examination, which Guam will be among the first jurisdictions nationwide to Guam will be among the first to administer this coming July. NextGen will bring sweeping changes to how our legal licensure exam is conducted and what content it will include. The new exam format will present a vastly different testing platform and technology and security requirements than what is currently required with the legal exam. This conference will offer an important opportunity for our bar graders and administrators to learn about the new iteration of the exam and the changes it will bring.</p>	<p align="center">6/9/2026</p>
